[www.PortlandActuarialClub.org/contact/rsvp/](http://www.PortlandActuarialClub.org/contact/rsvp/)  
RSVPs received later than the deadline will incur an additional \$5 fee.

For five years, members of the Portland Actuarial Club have donated time, energy, and their math skills to help students at Boise-Eliot Elementary-Middle School in Portland improve their math skills and scores. This has been a strictly volunteer effort, and the results for both the tutors and the students has been greatly rewarding. This month's meeting will be a report back to the PAC on their efforts.

Sky Peterka, the teacher at Boise-Eliot with whom we have had the most interaction, will share his first-hand insights on the impact the tutoring has had on his students. If possible, though unknown at this time, one or two students might accompany Sky to the meeting. We will also hear from Will Clark-Shim, our PAC member who commenced the tutoring program and has continued to be its coordinator.

Not only will you be entertained by the stories they share, you will be showing your support for the program by attending the luncheon. We look forward to seeing you there.
