Description:

Have you ever had questions about reinsurance but were afraid to ask? For many actuaries, reinsurance is often a black box. Bruce and Carolyn will review the basics of life reinsurance including types of reinsurance, risk transfer rules and basic financial reporting. You will leave this session with enough confidence to discuss this topic at your next dinner party or at least the next SOA gathering!

Carolyn Bahrman, FSA MAAA

Carolyn is a Director and Actuary with M Financial Group in Portland, Oregon where she is primarily responsible for the organization's corporate modeling function. In this role, she oversees modeling related to financial reporting, cash flow testing, and risk analysis.

Bruce Fuller, FSA MAAA

Bruce is Director and Appointed Actuary with M Financial Group in Portland, Oregon. He joined the organization in 2006 and is currently responsible for financial reporting, reinsurance risk management, most notably for COLI products, and M member firm relations.
