Where: The Heathman Hotel – Broadway Room, 1001 SW Broadway, Portland, OR 97205

RSVP: Please RSVP by **October 14th at 10:00 am** using our website:

www.PortlandActuarialClub.org/contact/rsvp **Please note—We cannot accept late RSVPs for this event.**

Description:

Everyone has heard of 3D Printing. But how much do you really know? I recently attended the CLRS (Casualty Loss Reserve Seminar) Meeting in San Diego. The featured speaker gave an incredible presentation on the future of the world. One of his main topics was 3D Printing and how it will shape the world. Is it time actuaries start paying attention to this developing technology? Let's talk about it!

Speaker Bio:

Rob Thoms is the Vice President and Chief Actuary of Berkley North Pacific. His job responsibilities include reserving, pricing, planning, underwriting support, and marketing support. He graduated from UCSB with a B.S. in Creative Studies-Mathematics and from Texas A&M University with a M.S. in Business/Industrial Mathematics.
